WEYMOUTH ENDOSCOPY, LLC

1085 Main Street – South Weymouth, Ma 02190

Tel: 781-331-2922 Fax: 781-335-5702

Pre-Procedure Instructions with regards to COVID – 19 guidelines

- You will be contacted one (1) week prior to your scheduled procedure date in order to schedule you for a COVID- 19 swab, at our facility, to screen for potential COVID- 19 infection.
- Five (5) days prior to your procedure you will be scheduled to come by the office for your swab. You will call **781-331-5755** and let the staff know you are here for your COVID-19 swab. You will speak with the nurse who will ask you a few screening questions and will then instruct you to pull up to the designated swabbing location.
- Once we have received your results, usually takes approximately 48 hours, we will call you to confirm a positive or negative result. If negative, you will be able to keep your scheduled procedure date.

Day of Procedure

- Upon arrival to our facility, please do not enter the building. Please call **781-331-5755** and a staff member will come out to greet you. You will again be asked a few COVID-19 screening questions and your temperature will be checked.
- You will be given a mask which must be worn throughout the entirety of your visit.
- Your ride will remain in the car. We will take their name and number and once your procedure has been completed we will call them to let them know you are ready to be discharged. One of our nurses will walk you out to your car upon discharge.

Your health and safety is our top priority. Rest assured we are doing everything within our power to provide a safe, caring and professional environment. Thank you for your continued patience and support.
